

WHEN YOU SUPPLY ORIGINAL PRODUCTS:

- ***You promote research, development, and innovation***
- ***You help job growth***
- ***You contribute to the financing of public services***
- ***You protect the future of your company and employees***
- ***You contribute to the production of safe and reliable goods and the safety of people and facilities***

WHEN YOU SUPPLY FRAUDULENT PRODUCTS:

- ***You destroy culture and innovation***
- ***You contribute to the destruction of jobs***
- ***You increase labour exploitation and organized crime***
- ***You put your company and the jobs of your employees at risk***
- ***You encourage unfair competition***
- ***You put the safety of people and facilities that use your supplies at risk***
